Family Engagement is Vital to the Success of Students

One of the most significant correlations between successful students and less successful students is family engagement in the education of the child.

This engagement comes in many forms and it is more than just attending Open House and Parent/Teacher Conferences. Taking an active role your child's learning from early on can have a very positive effect on a student's achievement and love of education.

Please continue to support our school by communicating with your child's teachers, discussing projects and homework at home, and supporting the learning that is going on in school every day. We are all in this together.

Small Community,

Great Opportunity!

2017-18 Homecoming Week!

Homecoming Week is upon us! This is a special week of school spirit, friendship, and making memories for our staff and students.

There is a lot of work that goes into Homecoming from Student Council, Class Advisors, staff, administration, coaches, and the student body. Tuesday night the Lady Wildcats Volleyball team had a thrilling sweep of Coleman and STAA, Wednesday evening we hosted the Powder Puff Football game and community bonfire, and Friday night we host Sevastopol in the home football game. Our Homecoming Dance is Saturday night from 8:00-11:00pm.

Safety is always the number one concern during Homecoming Week. We ask that parents help us out in keeping the spirit of Homecoming fun and safe for all of our students. Let's make this year's Lena Homecoming a fun, safe, and clean event to be enjoyed by all.

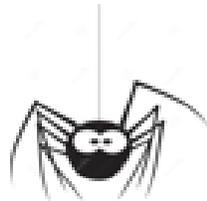

Parents and the community are invited to join us at all of our Homecoming festivities.

Go Wildcats and Titans!

- Ben J. Pytleski

What's Happening at Lena Public Library?

**Monday, September 25th, Teen/Tween Craft
Marbled Coasters 3:30-5pm**

Spiders in the Library?!?!

Find the spiders in the Library the month of October and be entered to win a prize!

Stop in for a treat

1 on 1 Media Guidance

We are still offering 1 on 1 Media Guidance at the *Lena Public Library!*

We can help you get the most out of your technology

Call to set up a time slot 920-829-5335

Lena Museum Trip

The students in Mrs. Aubry's and Mrs. Hoffman's Fifth Grade class recently took a walk to the Lena museum. The classes will be studying a lot of U.S. history this year. What better way than to start by learning about Lena's history? The museum now has 3 buildings with many interesting artifacts. Mrs. Marsha Kramer and Mrs. Roberta Wagner were on hand to answer questions about the many unique items that they saw. The students especially liked finding relatives in the book of Lena graduates.
