March 19th, 2020,

Dear Families and Community of the Lena Public School District,

We are busy planning what is ahead of us with the “indefinite” closure of public schools. Our teaching staff has worked very hard this week preparing supplemental learning materials while our students are away. These materials and resources are meant to enrich what we have already learned, review key concepts of things learned, and to help them stay sharp and keep busy during these uncertain times and long days. These materials and resources are for independent learning and enrichment, and will not be counted for any grades.

We will be delivering these materials by bus on Friday, March 20th, from approximately 1pm-2pm. Please be looking for us at this time. The buses have been instructed to simply pull up to the normal bus stop and honk the horn. Please have someone ready to receive this item from the step of the bus.

Our amazing Support Staff will be assisting the bus drivers with deliveries and I want to recognize them for all they are doing for the district during this time.

For those not on a bus route, we are asking that you come to the District Office doors to buzz in for pick-up on Friday or Monday from 8am-2pm. Thank you!

Thank you for your patience during this time and we will continue to do our best to communicate in a timely and effective manner throughout the coming weeks.

Sincerely,

A handwritten signature in black ink that reads "Ben J. Pytleski". The signature is written in a cursive style.

Ben J. Pytleski
