Adopt-a-Family Christmas news.....

This year I received a call from Denise Bastian, the Employee Relations Coordinator at Saputo Cheese who inquired if we were doing anything for families and if so, could we give them a list of ages, genders and their wants and needs as they would enjoy participating. The information was then put on the Saputo's "Giving Tree" and the employees of Saputo then filled the requests!! Talk about a blessing, this community never ceases to amaze me with their generosity and kindness. This year there were five families for a total of 18 individuals. "THANK YOU" seems an inadequate statement to say to Saputo and their employees involved in making the 2021 Lena Adopt-a-Family program a colossal success! I know this will make their holidays brighter.

Not only was Saputo's employee gifts purchased but they were delivered to the school wrapped!!!! Again, MANY, MANY thanks for making this a brighter holiday season for so many!

Included in making the 2021 Adopt-A-Family a success this year is the National Honor Society Advisor, Jacki Wolford and the NHS students. They coordinated a scavenger hunt and collected a lot of non-perishable food items that were also much needed to be delivered to each family.

The Lena School staff also did a drive for the families for personal hygiene products and cleaning supplies which are always needed and much welcomed items.

Of course this program would not be complete without a choice of a holiday ham or turkey dinner with all the fixings. Mrs. Jahnke's foods class students are topping off the meal with many delicious goodies.

Again, we give you all a heartfelt and most sincere thank you for your generosity in making this a blessed season.

Best Wishes, Shelly Meisner, K-12 School Counselor
