

# SUMMER SCHOOL 2024

This is your invitation to participate in our summer school program.

We have some changes to our program this year.

- The program will run only 3 weeks this year. June 10-13, 17-20 & 24-27
- It will still be Monday –Thursday, 8:30-11:30 am
- We can only offer one swimming lessons session the first 2 weeks. It will be the same times and routine. Students will be bussed to and from the Bond Center, getting back around 1:20.

We have a different concept this year because of some new and exciting classes.

- We still have the 3 periods of the day,
- Bowling will take up 2 class periods for an entire week and
- Rhubarb and Berry classes will take up all 3 periods for an entire week.
- You will sign up for classes for week 1, week 2 and week 3
- Even if your child signs up for the single hour classes- cooking, art, music, outdoor activities, academics or basketball skills, it will still be for one week.
- You can sign up for a class more than once.

You will need to fill out the forms for each week.

## Summer School Classes Descriptions

**All classes will run on 1 week intervals. You may sign up for a class more than one week.**

### **Elementary Skill Builder / K-4th**

**Outdoor Activities**/ 1 week intervals/ Any age

Students will experience the outdoors through a variety of activities. These may include working as a team to build survival shelters, creating things from natural materials, seeking out wildlife, and learning a few survival skills. Get outside at school this summer!

**Sports History & Cards**/ 1 week intervals/ 2<sup>nd</sup> and Up

Learn about the history of different sports and the stars and legends who played them. Browse and investigate sports cards. Do you have one worth millions?
